Dundreggan and the Rewilding Centre

Dundreggan is our 10,000-acre estate in Glenmoriston between Loch Ness and Skye. Since 2008, the estate has been transformed by Trees for Life and its volunteers into one of the best examples of forest restoration in Scotland. It includes a ground-breaking tree nursery and is where many volunteers come to take part in rewilding projects.

The Rewilding Centre opened in April 2023 and serves as a gateway to make Dundreggan, and the work being done here, making rewilding more accessible to a broader audience. It operates under the Enterprises arm of Trees for Life and is a commercial business.

The site includes an innovative visitor centre, a café, 40-bed accommodation, events and educational facilities. The Rewilding Centre welcomes visitors of all ages, interests and backgrounds to explore the natural, Gaelic and cultural heritage of the Highlands and be inspired by rewilding initiatives, including the restoration of the Caledonian forest.
